Flokkun tjaldsvæða

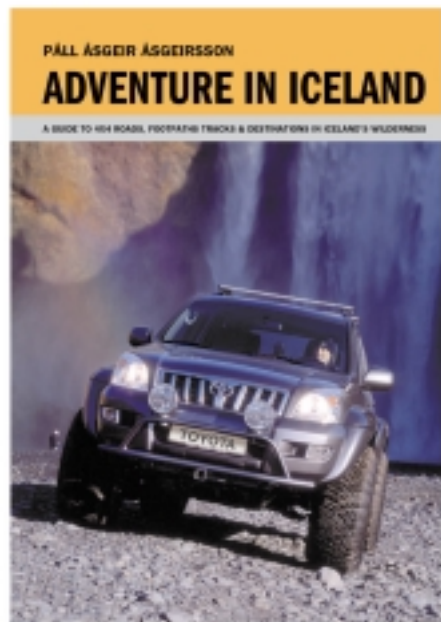

Tjaldsvæði á Íslandi eru flokkuð eftir flokkunarviðmiði sem Ferðamálaráð Íslands hefur sett fram og er flokkunin valkvæð.

Því að svæðið standist þær kröfur sem stjórnugjöf þess gerir ráð fyrir. Ef gestum þykir að viðkomandi tjaldsvæði standist ekki sett-

Framkvæmdin er með þeim hætti að flokkunarviðmið eru sett upp á áberandi stað á tjaldsvæðinu og síðan sé það gesta að ganga eftir

ar kröfur þá vinsamlegast beinið athugasemdom til Ferðamálaráðs Íslands í síma 461-2915 eða á netfangið: upplýsingar@icetourist.is
